

# INTERNATIONAL IMMERSION PROGRAM AT **NUS**

*Singapore 2026*

**NUS SCALE UNDERGRADUATE PROGRAMME  
"ARTIFICIAL INTELLIGENCE AND MACHINE  
LEARNING"**

**DURATION: 7 Days / 6 Nights**

**@National university of  
Singapore (NUS)**  
(Ranking #8 in the world  
QS world university  
Rankings 2026 )

## COURSE OVERVIEW

The programme introduces participants to the latest technologies in artificial intelligence and machine learning. At the completion of this course, students will have the knowledge on the fundamentals of AI including the various types of machine learning algorithms. This course also aims to equip students with skills and hands-on experience in applying AI and ML on real-world data.

**At the end of this course, participants will be able to:**

- Understand supervised and unsupervised machine learning AI algorithms
- Understand basics of neural networks and deep learning
- Apply and train machine learning algorithm on complex real-world datasets

### Pre-requisites

Current undergraduate students enrolled in a recognised university, majoring in Science, Technology, Engineering, Computing, and Mathematics subjects. There are no specific pre-requisites in terms of math or computational science. However, familiarity with scientific programming languages such as Python would be helpful. The class will incorporate practical assignments in Python. Also, exposure to calculus, linear algebra, and statistics would be helpful.

## ABOUT NUS

**#1**  
in Asia  
(QS Ranking 2026)

**#8**  
in the world  
(QS Ranking 2026)

**#9**  
**MOST EMPLOYABLE WORLDWIDE**  
(Times Higher Education 2026  
Global Employability University Rankings)

## COURSE STRUCTURE - TOPICS DURATION

**Session 1** Introduction to Artificial Intelligence and Big Data 3.0 hours

**Session 2** Introduction to Machine Learning 3.0 hours

**Session 3** Supervised Machine Learning 3.0 hours

**Session 4** Neural Networks and Deep Learning 3.0 hours

**Session 5** Group Project and Presentations 3.0 hours

*Please note that the proposed programme structure/topics are subjected to changes with prior notice in*

# PROGRAM FEES STRUCTURE

## 2,500 SGD

**Note:** Please make the payment through the provided link using a Visa, Mastercard, or AMEX card.

For payments made in INR via bank transfer, an 18% GST will be applicable.

### Important Information

- Academic Requirements: Only students pursuing their Bachelor's degree are eligible to apply.
- To Reserve Your Seat: Pay 1,250
- SGD (Seats are limited to 40 across India and will be allocated on a first-come, first-served basis.)

### INCLUSIONS

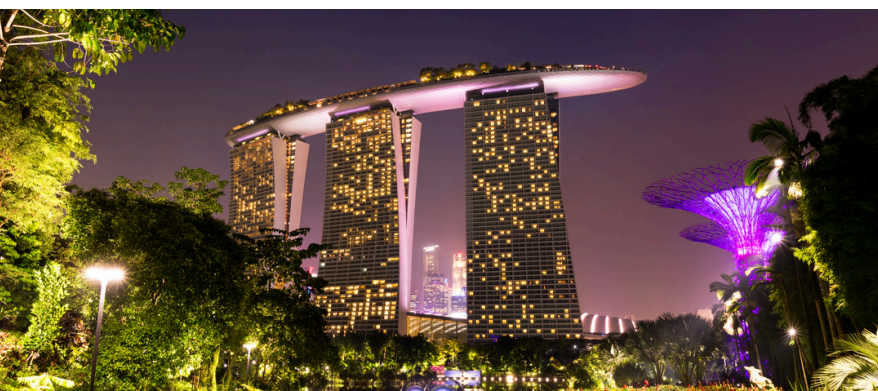

- Professional and administrative fee
- Programme delivery of 15 hours contact time in classroom (3 hours each day)
- Venue for pre-arranged classroom activities
- Welcome gift for participants
- Technical support on-site and online
- E-Certificate of completion for participants who successfully completed and passed the programme
- 6 Nights Hotel Accommodation on Twin/Triple sharing with Breakfast (services from UnTechEd)
- Local Airport Transfers (Group Pick Up & Drop as per the timings)(services from UnTechEd)
- Local Transport for NUS Visit & Evening Excursion Trips (services from UnTechEd)

### EXCURSIONS (INCLUDED):

- Night Safari
- 3-hour guided city tour
- Flower Dome / Garden by the Bay / Cloud Forest
- Universal Studio (Detailed excursion schedule will be shared closer to the travel dates)

### EXCLUSIONS

- Flights, Visa Lodgment, Visa Fees, Insurance, Personal Expenses, Lunch & Dinner
