

SRM Institute of Science and Technology

Department of Computational Intelligence

School of Computing, College of Engineering and Technology

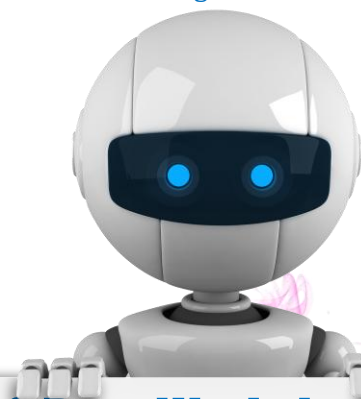

Kattankulathur, Chennai, India

In association with

Instituto Superior Técnico

Institute of Systems and Robotics, University of Lisboa, Portugal

Organizes

2 Days Workshop on “Vision for Robotics”

11-9-2025 to 12-9-2025

UB1214, SRMIST

CHIEF PATRONS

Dr. T. R. Paarivendhar,
Founder Chancellor

Dr. Ravi Pachamuthu,
Pro-Chancellor (Admin)

Dr. P. Sathyanarayanan,
Pro-Chancellor (Academics)

PATRONS

Dr. C. Muthamizhchelvan,
Vice-Chancellor

Dr. S. Ponnusamy, Registrar

Dr. Leenus Jesu Martin M, Dean-CET

Dr. S.S.Sridhar

Associate Dean (Academics)

ABOUT THE WORKSHOP

This workshop explores the integration of computer vision with robotics, focusing on how visual perception enhances robotics and other autonomous systems. This workshop is being organized by the Department of Computational Intelligence, SRMIST in collaboration with The Institute of Systems and Robotics, IST-Lisboa, University of Lisbon, Portugal. Participants will acquire both foundational knowledge and practical experience in essential concepts like image processing, object detection, and 3D vision, with applications in robot. Through interactive sessions, live demonstrations, and expert talks, attendees will explore the latest advancements and real-world implementations in vision-based robotics. Designed for students, researchers, and professionals, this workshop offers a comprehensive understanding of cutting-edge vision technologies shaping the future of robotics.

ADVISORS

Dr. Revathi Venkataraman,
Chairperson, SoC, SRMIST

Dr. C. Lakshmi,
Professor & Associate Chairperson, SoC

Dr. R. Annie Uthra, Professor & Head,
Department of Computational Intelligence

CONVENOR

Dr. Athira Nambiar
Research Associate Professor,
CINTEL

CO-CONVENOR

Dr. J.J. Jayakanth, AP, CINTEL

COORDINATORS

Dr. Meenakshi N, AP, CINTEL

Dr. Jackulin Mahariba A, AP, CINTEL

Dr. Athilakshmi R, AP, CINTEL

Dr. Gopirajan. PV, AP, CINTEL

Mr. Kamal Basha, (Ph.D scholar)

Mrs. Sharmila, (SRF)

ABOUT SRMIST

SRM Institute of Science and Technology is one of the top-ranking universities in India. It was established in 1985 by the Founder Chancellor Dr.T.R. Paarivendhar. SRM IST is functioning in four campuses with over 50,000 full time students and more than 3200 faculty members. SRM IST offers wide range of undergraduate, postgraduate and doctoral programs in Engineering & Technology, Management, Medicine & Health sciences, Science & Humanities, Law and Agricultural Sciences. The Institution has grown up through international alliances and collaborative initiatives to achieve global excellence. SRM IST has been categorized as grade A University by the ministry of Human Resource Development, Government of India. SRM IST is accredited by NAAC with the highest A++ grade.

The Department of Computational Intelligence at SRM IST is an educational milieu that creates a foreground for students to acquire knowledge in the futuristic areas of Artificial Intelligence, Machine Learning and Software Engineering. It is our mission to groom and nurture the students in academic excellence, industry exposure and provide them with outstanding career opportunities. The Department offers with multidisciplinary expertise in research areas such as Artificial Intelligence, Machine Learning, Data Science, Neural Networks, Computer Vision, Natural Language Processing, Robotics and Renewable Energy.

ABOUT INSTITUTO SUPERIOR TÉCNICO

The Instituto Superior Técnico (IST) is the school of engineering and technology of the University of Lisbon. It was founded as an autonomous school in 1911 and was integrated into the Technical University of Lisbon (now part of the University of Lisbon) in 1930. IST is the largest school of engineering in Portugal by number of enrolled students, faculty size, scientific production and patents. Institute for Systems and Robotics (ISR) Lisboa is an Instituto Superior Técnico research unit, founded in 1992. It is a dynamic hub of interdisciplinary research, affiliated with the University of Lisbon, which is ranked amongst the top schools of engineering in Europe. ISR-Lisboa research groups develop advanced multidisciplinary research activities, in the areas of robotic systems and information processing with applications in a broad spectrum of domains, including neurosciences, big data, marine, terrestrial, aerial & space robotics. ISR-Lisboa offers an inspiring multicultural research ecosystem with over one hundred researchers engaged in cutting-edge research, training, and outreach activities.

BANK DETAILS:

Bank : City Union Bank
Account name. : SWEA
Branch. :Tambaram
Account No : 117001001916247
IFSC Code : CIUB0000117

REGISTRATION

Registration fee : Rs. 499

LAST DATE FOR REGISTRATION 08.09.2025
